SECY. LAW DEPT. * 23 APR 1942 * GOVT OF MYSORE

SIR,

Subject:— Formation of a road from Bendikere to Garudangere, Arsikere taluk under the Inter Village Road scheme-requests administrative sanction of Government to.

I have the honour to forward,herewith, copy of letter No. V.P.C. 4040/41 dated the 8th April 1942,and its enclosures received from the Deputy Commissioner,Hassan on the above subject. The proposed road is 8½ miles in length and has been included in the current year's Inter Village Road programme of the District. The villagers are reported to be unable to contribute anything towards the cost of construction, though they are reported to have already done work with about Rs 500/-and full credit has been allowed for this. The estimated cost of the work is Rs 12,500/- and the Deputy Commissioner,Hassan requests that administrative sanction of Government may be obtained for the same.

1000

1)

It is however,seen that the estimate makes provision for two items (Items VII & IX) of Rs 300/- and Rs 870/- respectively for supervision charges. According to instructions of Government contained in letter No.P.W.7709/dated 6th April 1942 from the Secretary to Government,Public Works Department no additional staff is to be engaged for supervision; so that these two items will have to be omitted. Also, item V a of the estimates for Rs 200/- towards "Survey charges for Making Preliminary Alignments etc.,". According to your letter No.L.9463/V.P.35-41-46 dated 7th April 1942, orders of Government are awaited as to whether

no objection to a portion of such cost being met from Inter-village Road Funds; but I am not in favour of any portion of the cost of execution being debited to these Funds".

On this file being put up, a letter No 29463 dated 7.11.41 was addressed to the R.C. as follows:-

"The question of employing surveyors for the purpose of carrying out preliminary surveys of roads is separately under consideration of Govt and orders will issue in due course".

13 The Secy to Govt. P.W.D. has in his letter No P.W.7-1064-41 dated 6.11.41, intimated as follows to the Chief Engineer:-

"Govt consider that it should be possible to make use of the village Panchayat Surveyors in the Taluks and the Upper Subordinates in Survey the Revenue Subdivisions to prepare the estimates for these simple road works involving construction of small culverts across drains."

14 The Rev-Cmr has in his letter dated 24.11.41 solicited orders whether this item of expdre might be charged on "Inter village Road Funds".

15 Definite orders have now to be passed whether the cost of preliminary surveying of the roads taken up under the Inter village Road Fund scheme might be met from the funds of the P.W.D

or the cost may be met from the Inter village Road Fund.

On a further reconsideration of this question with the ~~Chief Engineer/in the chambers of the~~ and Financial Secretary Minister for L.S.G., the following decisions were arrived at:-

(1) The programme for inter-village roads should be formulated by the Deputy Commissioner in consultation with the Roads Committeees and administrative sanction should be obtained from Government.

(2) The programmes should mention specific works which can be taken up and completed within one year and the aggregate should not be more than Rs 75.000/- for a district.

(3) The programme should thereafter be sent to the Executive Engineer for preparing estimates.

(4) The Executive Engineers should have a special staff of 3 surveyors with two peons each for each district for preparing the detailed estimates, the cost being debitable to the P.W.D. budget for six months in the first instance.

(5) The estimates should be sent with the counter-signature of the Deputy Commissioner to the Chief Engineer for obtaining technical sanction of Government.

(6) For every individual work costing Rs 5,000/- and above provision should be made for the entertainment of one surveyor and two peons for the execution of the work with a cycle allowance of Rs 5/- and this provision should be included in the estimate itself specifying the length of time required for executing the work.

(7) As soon as the estimates are sanctioned the funds necessary for the execution of the estimates should be given to the credit of the Executive Engineer concerned for getting through the work.

(8) Works costing less than Rs 5,000/- should be got executed by the surveyors having jurisdiction over

Serial No.

the area.

(9) Progress reports of works surveyed and extent of execution should be sent by the Executive Engineer monthly to the Chief Engineer sending a copy simultaneously to the Deputy Commissioner for record before the Road Committee. Headings will be as follows:-

(i) Name of work in the programme
(ii) Whether detailed survey undertaken
(iii) Whether survey and estimate completed
(iv) Whether estimate sanctioned; if not with whom pending.
(v) Cost of estimate sanctioned 1000
(vi) Extent of work done
(vii) Total bills paid on the estimate up-to-date
(viii) When work is expected to be completed
(ix) Remarks, if any.

(10) The Chief Engineer is requested to consolidate the statement according to divisions and send it to the Law Secretariat for the information of Government.

(11) As soon as the survey and estimating works of the special projects is completed, the surveyors at the disposal of the Executive Engineer may be made use of for execution of works.

(12) When works are completed the special staff should be disbanded or made use of for other works which have been sanctioned.

SECY. LAW DEPT. 13 APR 1942 GOVT OF MYSORE

The Secretary to the Government of
His Highness the Maharaja of Mysore,
Law Department, Bangalore

Sir,

Subject:— Cost of preliminary survey of roads under the Inter Village Roads scheme.

I have the honour to invite kind reference to correspondence ending with your letter No.L.2463/V.B-35-41-46 dated 7th April 1942, on the above subject stating that the question of employing surveyors for the purpose of carrying out preliminary surveys of roads is under the consideration of Government and that orders would issue separately. The Deputy Commissioner, Kadur in his letter No.A6.C. 1478/40-41 dated 13th June 1942 (copy enclosed) states that he has countersigned and returned an estimate for Rs 1000/- received from the Executive Engineer, Kadur Division for surveying charges in respect of 15 roads originally programmed under the Scheme . The Deputy Commissioner states that as the execution of these works is to be undertaken by the Public Works Department it is best to entrust the preliminary survey also to that Department in order to prevent delay and complaints. (Vide copy of his letter No.A6.C. 1478-40/41 dated 19th May 1942, enclosed) In this Office un-official note dated the 3rd March 1942 it was pointed out that in case the entire cost of preliminary surveying etc., could not be met from the sanctioned grants of the Public Works Department, there wouldd be no objection to a portion of such cost being met from the Inter Village Road Funds. I request that orders of Government may be

No.

Enclosure No. Two copies.

Sir,

Subject:- Cost of preliminary survey under Inter-village communication scheme.

In continuation of this office letter of even number dated 19th May 1942 on the above subject, I have the honour to state that the Executive Engineer, Kadur Division, has sent a lumpsum estimate for Rs.1,000/- being the survey charges for 15 works originally programmed under the scheme for sanction on the condition that he would send detailed estimates for each individual project from time to time. Copies of letters 940- dated 20-4-42 and 1099 dated 4-6-42 are enclosed for kind information. The estimate for Rs.250/- sent on 18-9-41 in this connection may kindly be treated as superseded. In view of the urgency I have countersigned and returned the estimate for Rs.1,000/- to the Executive Engineer in order to enable him to prepare estimates of all pending works under the programme immediately, in anticipation of kind approval.

I therefore, request that early orders of Government may kindly be obtained in the matter.

I have the honour to be,
Sir,
Your most obedient servant,

For Deputy Commissioner,
Kadur District.

Subject:- Cost of preliminary Survey under the Inter-Village Communication Scheme.

With reference to your letter No.C.5507/41-42 dated 6th May 1942, on the above subject, I have the honour to state that it will take a long time if the survey work should be done by the ~~Village~~ Panchayet Sub-Overseers. In some taluks there are no Sub-Overseers at all. The work is to be carried out by the Public Works Department and if the surveys are badly done, the Public Works Department will start saying it was not done properly and ask for a re-survey. This would lead to ~~delay~~ delay and complaints. It is therefore best to entrust the survey also to Public Works Department, the cost of preliminary survey being included in the respective estimates.

I have the honour to be,
Sir,
Your most obedient servant,

A.N.

Letter No.V.P;C.4040/41 dated 8th April 1942, from the Deputy Commissioner, Hassan to the Revenue Commissioner in Mysore.

Formation of a road from Bendekere to Garudangere in Arsikere taluk, 8¼ miles in length under Inter- Village Communications.

In forwarding herewith the entire records together with the estimate for the above road amounting to Rs 12,500/- I have the hon to state that the road in question is included in the Programme of Inter village communications and proposed to be taken up for the execution during the current year. The road runs through the Villag of Mahamadpura, Kumaraghatta, Martigere, Bydarahalli, Thippeghatta, Kuruvanka and Nagasandra joining Garudangere road at Banavara-Sira road. I ha carefully examined the finances of these village panchayets enroute and find that they are unable to make any cash contributions towards the cost of the work. They have already done Rs 500/- worth of work by labour which has been included in the estimate. The entire cost of the further work has therefore to be met out of inter-village road fund allotted to this District. The estimate may kindly be sanctioned with full Government grant for further work.

1000

The Village Panchayets concerned will be made to contribute their labour for the maintenance of the road in question after construction.

Copy.

PUBLIC WORKS DEPARTMENT.

Read:

Government Order No.L.10874-7/V.P.35-41-63 dated 13th May 1942 according administrative sanction to the formation of a road from Bendikere to Garudanagiri in Arsikere Taluk, at a cost of Rs 12,500/- under inter village communication Fund, with the direction that provision for supervisions charges and survey charges be waived.

2. Letter No.6608 dated 17th October 1942 from the Chief Engineer of Mysore forwarding, for technical sanction, the detailed estimate for Rs 12,500/- for the above work, with a provision of Rs 990/- and Rs 200/- towards temporary establishment and survey charges respectively.

Order No. P.W. 3872-75 Dated Bangalore, 27th November 1942

As there is a work costing more than Rs 5,000/-, temporary establishment at a cost of Rs 990/- has to be provided for in the estimate in accordance with the G.O.No.P.W.862-80 dated 30th July 1942, and this provision is allowed to stand. The provision of Rs 200/- for survey charges has to be deleted in accordance with the Government Order dated 13th May 1942 read above.

2. Government are pleased to sanction the detailed estimate for Rs 12,300/- (Rupees twelve thousand three hundred) after deducting Rs 200/- towards Survey charges, the cost being debited to the Inter Village Communication Fund.

3. The work may be arranged to be executed by piecework system. The road after completion should be maintained by the concerned village panchayets.

For Secretary to Government,
Public Works Department.

To

The Secretary to Government, Law Department (with file)
The Chief Engineer of Mysore (with the estimate)
The Deputy Commissioner, Hassan District)
The Comptroller to the Government of Mysore.
